Your health and wellness is our top priority! That is why we are in network with most insurance companies to make sure that your injuries and conditions are medically covered. Below is a list of all insurance providers that we accept.

We also accept HSA/FSA cards for all services in our office. If you are uninsured or are not sure whether you are covered, talk to us today. We have an ECS discount plan that is just like having commercial insurance for our cash paying patients!

Lastly, we work with most attorneys under LOP and take workers comp injuries with no out of pocket cost for our patients! When you're at ZENITH, be assured that you are our priority and affordable healthcare is our goal.
